Al PURIFYING THE ATMOSPHERE. - A correspondent of difficulty to raise some pecuniary and territorial ed out with a broomstick the other day. He was questions with the Porte.

The Emperor of Russialn a Financial Strait. There is one feature of the Eastern question that places it in a position different from any which has yet arisen between the European powers wherein war has impended. Russia having placed herself without the circle of public opinion must look for the pecuniary resources of war within herself She can derive no aid from the great monied capitalists of Western Europe. It would be impossible for her to raise a loan among them by any temptation she could offer. Her course of aggression and wrong has been so plainly manifested that no banker or banking firm in any European capital would dare offer so great violence to general sentiment as to place the means in her hands to consummate her schemes, overthrow public law, and destroy the balance of Europe

The consequence of this self outlawry from public opinion in the circle of civilization, has been the necessity of a resort to unusual methods to replenish the Russian treasury, and to defray the extraordina-The New Orleans Delta of the 14th instant says: ry expenses of her armies. The Czar has applied to "We greeted an old acquaintance yesterday on two sources, from both of which, if not meeting a positive refusal, there will be reluctant acquiescence. night before. He had a care-worn countenance, his There is a large amount of gold deposited in the fortresses of the Russian crown. The Emperor has applied to the Minister of Finance for a portion of this treasure. That officer raised strong objections to an appropriation of any part of this fund, as it was the basis of the paper currency of the Empire. The Emperor then made application to the Sacred Synod for a loan of sixty millions of roubles. That body expressed their willingness to comply with the wishes of the Czar, but alleged that being the dethe darkest hairs to snowy whiteness. And yet it is positories of the property of the Church, for sacred but one instance out of many which daily occur in purposes, they were not at liberty to make a secular appropriation of this fund.

In this posture of pecuniary affairs before the contest has commenced, and while only preparing for it, the means can only be raised by spoliation or by taxes The produce of taxation will arrive at the treasury too slowly for the needs of Nicholas. I he makes a mal-appropriation of the gold. which is the basis of the Russian currency, he will soon involve himself in greater financial difficulties than of the empire will be prostrated even within the empire itself. If he divests the fund for sacred uses to objects that are not obviously for the security of the church, it will render the war unpopular with his own subjects. An act of despotic power may be exercised by taking either or both these deposits of internally by a measure of such barefaced despotism. It is evident the Czar could find no adequate resource by loan from his own subjects, or he would not have subjected himself to these disappoint-

RICHLAND ACADEMY. THE next session of this institution will commence the

1 12th of September. RATES OF TUITION PER SESSION OF 5 MONTHS For the lower branches of English, including Orthogra-be procured, either with the Principal or with families con-

August 26th, 1853 TO PARENTS AND GUARDIANS. A Circular containing terms, &c., can be found either at the store of Wilkinson & Esler or at G. H. Kelley's. August 12.

L. G. WOODWARD, Principal

venient to the School, at the rate of \$6 per mouth.

WAYNE INSTITUTE AND NORMAL COLLEGE. THE Summer session of this Institution will commence on I the 30th inst., under the superintendence of William Robinson, Esq., who has been elected President, and who is at present putting forth every exertion to procure a competent Board of Teachers. In this he has already, in part, succeeded, and hopes, at an early day, to be able to announce The Institution is divided into three departments-Prima

out the country ; the Primary Department, as a mere Juvenlle School, and as preparatory to the Academic. In each of these several Departments a Male and Female School will be kept-in separate and distinct parts of the his friend, "he seems just the sort of chap one might building, and under separate and distinct teachers, with the exception of the President, who will superintend in both De-

ry, Academical, and Collegiate-the latter of which is de-

signed solely for the education and training of teachers, while

partments, and afford such instruction as may be in his pow-As a part of the internal regulations of the Institution, the Male Departments will open and dismiss 15 minutes earlie

than the Female Departments. In the Collegiate Departments, Male and Female, unusua

two females will be admitted to free tuition, upon certain qualifications, hereafter to be prescribed. Application for admission to be made to the President, and to be decided on by the Trustees.

TERMS OF ADMISSION. To be received as a pupil of this Institution, the applicant must sustain an unexceptionable character. In no case will any one be admitted who does not present the Treasurer's receipt for at least one session in advance. The Treasurer is not authorized to receive payment for tui tion, unless first presented with a certificate of admission. signed by one of the heads of Departments.

Pupils, on admission, will be examined by one of the Heads of Departments, and assigned to such classes as their proficiency shall warrant. Students will be charged from the date of entrance to the end of the session No deduction will be made for absence, except in case of protracted sickness or death, nor will any money be refunded in case of expulsion or voluntary with-

Students entering this Institution will be required to purchase admission tickets from the Secretary, and no student will be admitted until such ticket be exhibited. The pleasant location and neat arrangement of the buildings, added to the acknowledged salubrity of Goldsboro', and the high reputation of the President, as an instructor and disciplinarian, will, it is hoped, secure to this infant Instituand the wants of the community.

Printed catalogues will be prepared at an early day, giving, in detail, the studies pursued and the regulations adopted, and will be forwarded to applicants free of postage. JOHN A. GREEN, Secretary Goldsboro', June 22, 1853

CLINTON FEMALE INSTITUTE. THIS Institution will commence its second Session on the 1. second Monday in July next. Every branch of female education is taught in the Institute, and the present number try furnishes greater facilities for imparting knowledge. The expenses per annum will not exceed \$124 for the most advanced literary course, and with the usual number of extras the necessary expense per year will not exceed \$470 Roard per month in the Institute \$9; good Foard may be ad in the private families of the village much cheaper.

Tuition for all Lighish branches, per Session of 21 weeks, imary course \$10; all branches in the 1st and 2d Classus \$12; Junior and Senior Classes \$15. For particulars the public is referred to our Circulars,

which can be had by addressing the Secretary or the Princi H. A. BIZZELL, See'v Clinton, May 20, 1853-39-tf ] of Board of Trustees.

MEXICAN BUSTANG LINIMENT FIVIIIS Liniment is unequalled for the cure of Rheumat A Neuralgia, Bruises, Burns, Strains, Corns, Pilos, Tunors, tiffness, Old Sores, Swemings, or Pours in any part of the bod e given from those that have been cured of these diseases, and dso from those that have had Forses cured of Ringhone, Sparin

cratches, Wind-golfs, Saddle galls, Cracked heels, Stiffness, or my colargement of hones or muscle
THROUGH BY EXPRESS!! This to certify that the Mexican Mustang Liniment Has been effectual. Many of their men have also used it on themselve and their familes; and they all speak of its hearing and remodes LINIMENT was resorted to, and the sorners and lameness was soon removed, and it was perfectly well in three or four days.-We have no hesitation in recommending n as a valuable per
